FS-Elliott Introduces SteadiAIR™ 5 Warranty
Standard on all Polaris+ Centrifugal Air Compressors

Export, PA, July 30, 2015 – FS-Elliott Co., LLC, a leading manufacturer of oil-free centrifugal air and gas compressors, is pleased to introduce their SteadiAIR™ 5 Warranty available on all new Polaris+ compressors.

In addition to FS-Elliott's standard warranty, SteadiAIR 5 provides customers with added coverage, guaranteeing efficient and reliable operation from their compressor air end assembly for a period of at least five years starting from the time of shipment.

“The SteadiAIR 5 Warranty reflects the level of reliability and durability we demand of our compressors and signifies our long-term commitment to product excellence and customer satisfaction,” stated Tom Taylor, Aftermarket Marketing Manager. “We have always been extremely proud of our products and this warranty helps us to pass along that certainty. SteadiAIR 5 allows customers to purchase an FS-Elliott compressor with confidence, knowing their investment in the latest technology is not only secure, but it will drastically reduce if not eliminate production interruptions.”

For more information on the SteadiAIR 5 Warranty, please contact your local FS-Elliott authorized distributor.
